

00:22:25 Danica Cordell-Reeh: Savings and loans 1986 to 1995

00:24:03 Aiga von Kesselstatt: Uranus was in Capricorn from early December 1988 until early January 1996

00:24:55 Ibrahim Koné: Question 5 - what do you mean by diversified operations (Taurus) could you provide some examples?

00:25:39 Merriman Market Analyst: Companies involved in multiple sectors. Like Philip Morris

00:26:34 Danica Cordell-Reeh: What rules the meta verse, defi area of crypto. Etc, nuts. This whole area

00:26:53 Ibrahim Koné: I see thanks Ray

00:28:11 Kevin Blank: It happened in Dec 2020 not Jan

00:29:07 Aiga von Kesselstatt: conjunction of Jupiter and Saturn was on December 21, 2020, winter solstice

00:29:46 Ibrahim Koné: @meta verse is related to VR/AR(virtual Reality/Augmented Reality) so I would guess entertaining which is really not has new that people think avatars have been used in video games for many years

00:31:26 Eleonore Charrez: We'll remind you !!!:)

00:31:44 Eleonore Charrez: have a safe trip, Gianni !!!

00:32:07 Rita Perea: Bye Gianni. Godspeed to you :)

00:32:17 Merriman Market Analyst: Thank you, never been to AZ before. I like deserts :-)

00:54:55 Vincent Wang: Can u show the chart ray

00:55:26 Eleonore Charrez: Vincent : we see it. Ray shows it

00:57:23 Vincent Wang: 1994 irrational exuberance

01:05:38 Martha Geiger: Why would 2003-2009 not be considered the first phase in a newer 18 yr cycle?

01:26:51 Aiga von Kesselstatt: that's great - many thanks. Clarifies a lot

01:29:58 Aiga von Kesselstatt: Jupiter will go back to 22 degrees Aquarius - another low?

01:31:12 Aiga von Kesselstatt: the charts suggested the low could be innate Aquarius too

01:35:46 Lian Handaja: sorry, I was confused. Why the orb is not 9 mo?

01:37:54 Lian Handaja: Okay. Got it.

01:38:00 Lian Handaja: Thank you.

01:41:41 Abhishek Singh: Thanks Ray for sharing Kat's chart

01:59:18 Aiga von Kesselstatt: what about the 90 year cycle - is that already in or not?

02:00:00 Aiga von Kesselstatt: so not due shortly

02:00:32 Vincent Wang: Stock usually expand ?

02:01:06 Kevin Blank: Would you use future Venus Retrograde dates with this?

02:01:28 Vincent Wang: Thanks

02:02:00 Din Uppal: Ray, do we need to carry out this analysis ourselves or will this be covered in your monthly/weekly reports

02:02:31 Barbara Gibbs: We'll have 4 or 5 retrogrades in June & July. What should we be aware of \?

02:03:16 Aiga von Kesselstatt: thank you so much - very helpful

02:03:27 Din Uppal: Thank you.

02:04:37 Vincent Wang: Singapore I s locked down again

02:04:52 Rita Perea: Great information. Thank you Ray!

02:04:55 Vincent Wang: No pisces

02:05:04 Danica Cordell-Reeh: Is there a chart on the pandemic

02:05:10 Vincent Wang: Hahahah

02:05:14 Maya Bothe: haha

02:45:21 Ali Alvarado Atias: Excellent Presentation! Congratulations MJ and Diane

02:45:24 Lian Handaja: Great presentation, MJ and Dian. Very well done! Really enjoy it.

02:45:26 Eleonore Charrez: Great ! Many thanks for this incredibly interesting presentation !!!

02:45:32 Rita Perea: Excellent! Thank you MJ and Dian!

02:45:43 Abhishek Singh: Thanks MJ & Dian for Awesome Presentation!!!

02:46:00 Martha Geiger: Awesome presentation. Hard act to follow!

02:46:03 Ibrahim Koné: Thank you MJ and Dian it was a very nice presentation

02:46:03 shanna forlano: Thank you - great job !!

02:46:06 Barbara Gibbs: Wow! Talk about in-depth. Very fine presentation.

02:46:21 Michelle Picard: Great presentation! Thank you for sharing!

02:46:41 Danica Cordell-Reeh: Great presentation. Fascinating about the bridge.

02:46:44 Daniel Ineichen: but wans't the march low , lower than the August one?

02:46:59 Daniel Ineichen:gret presentation btw!

02:48:16 Aiga von Kesselstatt: Great - thank you very much. That bridge thing is very interesting.

02:49:01 Kathleen Hallissey: Amazing presentation! Thanks.

02:49:22 Maya Bothe: Top, MJ & Dian

02:49:37 MJ Wetherhead: yes Daniel you are correct

02:58:20 Aiga von Kesselstatt: have you done these studies for silver in Euro instead of in US dollars? How would that look like - same patterns?

03:06:22 Ali Alvarado Atias: Ray, a bit of intermarket question here, if you expect Gold to 1000, then the USD (usually inversely correlated) should trend higher, thus suggesting a weaker Equity Market into 2023?

03:09:06 Ali Alvarado Atias: Thank You Ray!

03:12:10 Din Uppal: Ray, this week Bitcoin has had a tough week, what are your thoughts for short/medium outlook on Bitcoin.

03:12:25 Barbara Gibbs: Thank you Ray.

03:12:54 Dian Brown: Thanks so much Ray!

03:13:05 Wyatt Fellows: should be an interesting week for stocks...half primary low last week?...looking for divergence in next crd for top?

03:13:05 Kevin Blank: Ray, the Saturn/Uranus Sq you suggested in the annual book, didn't hit the USA chart particularly hard. Now that the US is vaccinating faster than other countries, is it possible that there could be a positive US course, vs World countries.....

03:13:39 Din Uppal: Thank you Ray

03:14:09 Barbara Gibbs: Aren't cryptos energy hogs? Will a knife fight begin between cryptos and regular energy needs?

03:14:22 Rita Perea: Excellent class. Thank you Ray!

03:16:11 Ibrahim Koné: Grains commodities did rise quite a lot compare to soft agricultural commodities some of them are starting to show interesting charts pattern what do you think about coffee for instance? Not sure if this is covered by MMA

03:16:13 Aiga von Kesselstatt: What do you think about the election audit in Maricopa county?

03:18:13 Aiga von Kesselstatt: thanks

03:18:22 Michelle Picard:Thanks Ray!

03:18:23 Eleonore Charrez: Many thanks !!!

03:18:23 Hui Fang Boo: Thanks

03:18:23 Kathleen Hallissey: TY!

03:18:24 Yating Hu: Thank you!

03:18:26 Maya Bothe: thanks, bye!

03:18:27 Daniel Ineichen:TY

03:18:29 Ibrahim Koné: Thank you

03:18:34 Ali Alvarado Atias: Thanks Ray and everyone
