

# **MMTA Course Three – Geocosmic Correlations to Primary and Trading Cycles in Financial Markets**

# The Level 1, 2, and 3 Signatures in Gold

## Module Lesson Six

**Disclaimer and Appropriate Use of Course Information:** The content and instruction made throughout this course are provided solely for reference and educational purposes to students, traders, and analysts (Participants).

By participating in this course, you agree that all trading or investment decisions made by Participant are at the sole risk to the Participant and Participant assumes all responsibility for any and all decisions made in financial markets.

By taking this course, you also acknowledge that trading in financial markets involves risk of loss as well as the potential for gains. As a student, trader, or investor, you agree to assume all responsibility for any and all actions you initiate in financial markets, and neither the authors, instructors, or publishers affiliated with this course, or anyone whose work is cited or referenced in the course, assumes any liability whatsoever for your decisions.

Futures or options trading are considered high risk. Information provided in the MMTA course or MMA publications is provided with sincere intent, and according to MMA's own proprietary and copyrighted processes and methodologies. All content and information provided is the intellectual property of MMA and MMTA developed by Raymond Merriman and his 40+ years of experience, observation, and research. Students may use this material responsibly and solely for their own trading and investment planning. They may cite brief sections of these studies with proper credit to MMA or MMTA. However, any other reproduction or use of this copyrighted material must be with the written consent of MMA.

- The purpose of this lesson is to learn the Level 1, 2, and 3 geocosmic signatures pertaining to the Gold market

The purpose of this lesson is to learn the Level 1, 2, and 3 geocosmic signatures pertaining to the Gold market

In this lesson, you will learn the following from “The Gold Book: Geocosmic Correlations to Gold Price Cycles.”

1.) Level 1 signatures associated with Gold prices

2.) Level 2 signatures associated with Gold prices

3.) Level 3 signatures associated with Gold prices

# LEVEL 1 GEOCOSMIC SIGNATURES IN GOLD

- Saturn &/Neptune ( – any major aspect: A G H K
- Neptune ( Retrograde R – the day it goes retrograde
- Jupiter^/Saturn& – any major aspect: A G H K
- Mars % Stationary – first day of R or D
- Jupiter^/Neptune( – any major aspect: A G H K
- Mercury # Conjunct A or Waxing Trine H to Mars %
- Venus \$/Mars %– any major aspect: A G H K
- Venus \$ Stationary – first day of R or D
- Mars %/Jupiter ^ – any major aspect: A G H K
- Venus \$/Uranus B – any major aspect: A G H K
- Saturn & Stationary – first day of R or D
- Sun !/Uranus B – any major aspect: A G H K

>50% association with major reversals in gold price cycles

# LEVEL 2 GEOCOSMIC SIGNATURES IN GOLD

- Mars %/Saturn & – any major aspect: A G H K
- Sun !/Jupiter ^ – any major aspect: A G H K
- Sun !/Mars % –any major aspect: A G H K
- Pluto )Stationary – first day of R or D
- Sun !/Saturn & –any major aspect: A G H K
- Mars %/Uranus B –any major aspect: A G H K
- Uranus B Stationary – first day of R or D
- Mercury # Stationary – first

In over >32% of the time of their occurrence, such reversals have been noted.

# LEVEL 3 GEOCOSMIC SIGNATURES IN GOLD

- Sun ♀/Pluto ♄ – any major aspect: A G H K
- Sun ♀/Neptune ♆ – any major aspect: A G H K
- Mars ♃/Pluto ♄ – any major aspect: A G H K
- Venus ♀/Saturn ♄ – any major aspect: A G H K
- Jupiter ♃ ^ Stationary – first day of R or D
- Venus ♀/Pluto ♄ – any major aspect: A G H

Probably pertain more to cycle culminations than to potent reversals, and may be significant when accompanied by other signatures listed above.

What is the difference between this grouping of Level 1, 2, and 3 signatures and that presented in Volume 3 of the Ultimate Book on Stock Market Timing?

Gold Book creates Levels 1, 2, and 3 based on all the major aspects of a planetary pair combination, not just each single aspect

In the Stock Market studies, a Level 1 value was >66.7% correlations

In the Gold market studies, a Level 1 value was 50% or greater correlation, as a whole, to primary or greater cycles.

Secondly, in the Gold Book, two Mercury-Mars aspects were shown to be Level 1 signatures

Not the case in stock market cycles

In a later lesson, these signatures will be used to calculate geocosmic critical reversal dates.

# QUIZ #6

## GEOCOSMIC CORRELATIONS TO PRIMARY OR GREATER CYCLES

1.) What is the major difference in the studies used to calculate Level 1, 2, and 3 signatures for trading cycles in the Gold Book versus those used in the Stock Market Timing book?

2.) Which Level 1 signatures in Gold were more likely to be Level 3 signatures in stocks?

3.) Which Level 1 signatures in stocks were more likely to be Level 3 signatures in Gold?

4.) What planetary pair cycle was found to be important in the Gold studies, but not in the stock market studies?

5.) What were the three strongest geocosmic signatures in the Gold studies and when did they last occur? What types of cycles in the Gold market occurred nearby?
