

00:18:33 Rita Perea: Hi everyone! Glad to be with you all today :)

00:23:33 din Uppal: Earnings reports due at the end of July for some tech companies

00:23:46 MJ Wetherhead: hey Rita---looking forward to your presentation!

00:23:52 Merriman Market Analyst: yes that right too

00:25:13 Rita Perea: @MJ- Thanks! :)

00:31:51 MJ Wetherhead: 8 days between 11 19

00:35:59 Eleonore Charrez: I remember Ray mentioning flooding in the forecasts 2021 book

00:38:26 Merriman Market Analyst: Yes,, Jupiter in Pisces, around the time when both Jupiter and Neptune turned retrograde in late June, but especially May 13-July 28 (Jupiter Pisces)

00:39:54 Matthieu Kaiser: liquid markets, liquid weather...

00:41:30 adam child: venus opposite Jupiter 22nd

00:43:29 Merriman Market Analyst: Yes, Venus and Mars opposite Jupiter July 22 and 29

00:45:22 Maya Bothe: hhaha

00:48:35 adam child: So Taurus is currency I think so bitcoin boom bust

00:48:48 Merriman Market Analyst: correct

00:49:01 adam child: so interesting :-)

00:50:57 Matthieu Kaiser: the fundamental set-up for a bust in bitcoin is in place, with central banks tightening their grip on digital currencies...

00:51:59 Daniel Ineichen:So, what is the sectors to focus on next when Uranus is in Gemini? Telecom? Transport? Communications / Media? is this AI related too?

00:52:28 Merriman Market Analyst: Yes, Maybe automobiles

00:52:30 Matthieu Kaiser: AI, quantic computers...

00:52:42 Maya Bothe: Travel?

00:52:53 Merriman Market Analyst: MAybe electic autos

00:53:04 Matthieu Kaiser: (quanta can be in two places at the same time - what is more Gemini?)

00:53:37 Merriman Market Analyst: Could be airlines too... any form of communciations physically or literally - newspapers, news agenices, media, etc

00:53:58 Matthieu Kaiser: reality-augmented media?

00:54:10 Merriman Market Analyst: Very good Metthieu :-))

00:54:49 Eleonore Charrez: What about jupiter retro ? What happens then ?

00:55:37 Merriman Market Analyst: That's fascinating. With Uranus, it may be something we aren't even conceiving yet.... remember, Pluto goes into Aquarius then too, Uranus' sign, and a trine.

00:57:43 Eleonore Charrez: children toys ?

00:58:26 Irina Erastova: royal companies?

00:59:12 Merriman Market Analyst: yes, children's toys, maybe adult toys too...

01:00:00 Merriman Market Analyst: not sure about royal companies... what are they? Middle eastern?

01:00:44 Irina Erastova: just a thought about leo sign

01:02:37 Merriman Market Analyst: OK. Just to imagine royal companies.... but yes, the symbolism is correct

01:04:13 MJ Wetherhead: oats broke out of wedge this week to upside

01:05:16 Irina Erastova: can solar fier show T-squares like a list?

01:06:52 Matthieu Kaiser: aren't hard aspects between Saturn, Uranus and Pluto related to supply shortages?

01:07:02 Merriman Market Analyst: If you input the planets you think are involved, into a harmonic of 4, it will show all the times two of those planets are in conjunction, square or opposition. From that you can see if a third planet you inputted was also involved.

01:07:49 Merriman Market Analyst: Always a possibility with Saturn involved. With Pluto, may be related to a natural disaster

01:10:28 Vincent Wang: Jupiter in Leo, low in equities?

01:11:59 Merriman Market Analyst: Nope. Nothing with Jupiter in leo. Strangely enough

01:18:14 Merriman Market Analyst: Yes, lows in equities then.

01:19:51 Matthieu Kaiser: i fail to relate this Relationship between Venus-Libra and lows in silver with any symbolic meaning...

01:21:28 Merriman Market Analyst: Venus rules Libra, so it probably means strength in stocks, but not sure why it corresponds to a low in Silver since stocks and Silver are related to strength in economy.???

01:33:17 Merriman Market Analyst: Yes, we know in astrology, Silver is said to belong to the sign of Cancer and Gold to Leo, but that studies don't support that. Virgo and Sag seems more dominant with reversals and it moves in Silver. However, early cancer seems important for both Gold and Silver, but Leo seems more of a low in both metals

02:03:30 Eleonore Charrez: interesting research and great presentation. Lots of incredible ideas !

02:05:45 MJ Wetherhead: Well done Rita1

02:05:55 huifang boo: Great presentation. Thanks!

02:05:57 Merriman Market Analyst: Excellent!

02:06:00 Matthieu Kaiser: great work, thank you Rita

02:06:05 Ali Alvarado Atias: Congratulations to all the Team!

02:06:17 adam childs: Thank you it was really interesting with beautiful charts

02:06:20 Vito Mijal-Pasa: awesome r Rita

02:06:30 Abhishek Singh: Great Presentations from Oats Team

02:06:45 Eleonore Charrez: We'll mark down 2030 for oats :)

02:06:46 Michelle Picard: Thank you so much Rita! That was great

02:07:11 Maya Bothe: thank you, interesting!

02:07:18 BETH WOODY: Terrific presentation and good discovery.

02:09:04 Ali Alvarado Atias: Ray if Jup/Nept suggests a Short term Rapid Gains, does it make sense that a Sat/Nep+ Quick Decline?

02:10:31 Merriman Market Analyst: I don't know Ali. Probably depends on which market. I would think crude oil and grains would be affected by Sat/Nep, but so sure with other markets.

02:10:52 Ali Alvarado Atias: Thanks Ray!

02:10:53 Merriman Market Analyst: not so sure...

02:10:57 Rita Perea: Thank you everyone! It was my pleasure to share the story of Oats with you :)

02:12:03 Dian Brown: Congratulations Rita!!

02:15:17 MJ Wetherhead: when it retrogrades is that a counted as a separate instance or an extension e.g. 2018?

02:16:25 MJ Wetherhead: thank you

02:17:32 Vito Mijal-Pasa: when Jupiter now Retro back into Aquarius does that mean Market related to Aquarius will be affected with Jupiter s quality ?

02:18:16 Vito Mijal-Pasa: and how does it fit with Saturn being in that segment ?

02:18:42 MJ Wetherhead: when you calculate the x% moves (filtered waves) what criteria do you use to find the endpoint. Do you lookback at a certain number of bars?

02:22:09 jeff hanus: will we have covid come back in the fall or winter?

02:22:16 adam childs: I think I asked it before I am looking at the 22nd Jupiter opp venus for a low in bitcoin. Jupiter is also transiting natal bitcoins venus

02:23:19 Eleonore Charrez: What happens to stocks rules by pisces when jupiter leaves pisces to retrograde to acquarius ?

02:25:30 jeff hanus: htank you

02:27:18 Vito Mijal-Pasa: heard on the news today some doctors who had sonic , double , triple shots , contracted the Delta and died in Indonesia , looking not so good Ray

02:27:57 Eleonore Charrez: Vito, am tempted to ask which vaccine...?

02:28:09 Vito Mijal-Pasa: Sinovac

02:28:14 Vito Mijal-Pasa: China one

02:28:22 huifang boo: Covid cases in Asia is sky-rocketing

02:28:54 Daniel Ineichen:also mid-august, Uranus turns direct in Taurus again

02:28:54 BETH WOODY: Neptune when it goes into area is In the medical area of surgery- Aries is the house for surgeons.

02:28:55 Vito Mijal-Pasa: And China saying if parents not getting vaccinated , Kids not allowed to Schools

02:29:08 Eleonore Charrez: Sinovac studies don't show good resistance... max of 50%. Guess Pfyzier biontech and moderna should give better and more positive infos

02:29:22 Rita Perea: Wow! Interesting information about vaccines, Vito.

02:29:27 Eleonore Charrez: as well as astra Zeneca and j & J

02:30:10 Danica Cordell-Reeh: Article out Pfizer not as effective for Delta

02:30:13 Dian Brown: Covid cases spiked at the first and second Saturn-Uranus events of February and July. Act III is due December 24.

02:30:51 Vito Mijal-Pasa: yes indeed but I got a problem with that none of those vaccines past proper safety tests for human use in long term , and non of the companies or Governmentts accepting responsibility of any sort , pretty sad story we are trapped in I guess

02:30:51 Eleonore Charrez: thks , Gianni

02:30:52 Matthieu Kaiser: thanks for highlighting this, Dian

02:31:33 Eleonore Charrez: fully agree Vito, (reason why so many people refuse getting vaccinated). Time will tell

02:31:40 Rita Perea: Thanks for the reminder, Dian.

02:31:53 Daniel Ineichen:it is retrograde now

02:32:36 Eleonore Charrez: stem cells will also accelerate the clinical research phases

02:32:38 Matthieu Kaiser: Vito, Eleonore, general upset is rising about this in France, quite large demos today

02:32:50 Eleonore Charrez: and for cancer treatment, these become individualized

02:33:25 Matthieu Kaiser: Jupiter-Neptune in Pisces may be related to a development of holistic médecine?

02:34:12 Rita Perea: Moving back to holistic medicine perhaps, Matthieu.

02:34:14 Matthieu Kaiser: and what's happening with vaccines/genetic thérapies in Relationship with covid may prompt this

02:34:37 MJ Wetherhead: I see Uranus going retrograde Aug 19

02:34:49 Daniel Ineichen:You ae righth Gianni, Uruanus turns retrograde on Aug 14

02:34:57 Merriman Market Analyst: Right there with Sun Jupiter opp

02:35:17 Merriman Market Analyst: Ur Rx Aug 19

02:35:31 Matthieu Kaiser: geocosmics give us a good timing tool for this... Jupiter back in Aquarius could see the last rise in vaccination, then holistic would take the upper hand when it ingresses Pisces for good

02:35:48 Vito Mijal-Pasa: technical part good ,but graphine Oxide used for delivery of MRNA is the concerning issue where does it end up , what does it do in the body etc , it doesn't sound from the studies so far is very safe and , authorities are admitting that from what I am researching

02:36:02 Matthieu Kaiser: (for genetic therapy)

02:36:04 Daniel Ineichen:and direct on Dec 20.... what an interesting cluster in dEc

02:36:35 Eleonore Charrez: but the biontech and moderna vaccines are new tech... acquarius ??? rather than pisces ?

02:36:48 Matthieu Kaiser: i agree Eleonore

02:36:59 Eleonore Charrez: the rna vaccines

02:37:06 Eleonore Charrez: it's information rather than vaccine

02:37:11 adam child: Neptune in Aquarius I think I read can create big inflation hyperinflation

02:37:18 Eleonore Charrez: and biontech also

02:37:23 adam child: Neptune in Aries sorry

02:37:55 adam child: Thank you

02:38:00 Daniel Ineichen:thanks

02:38:01 Ali Alvarado Atias: Ty All! Good Evening!

02:38:07 Matthieu Kaiser: thank you all

02:38:07 Rita Perea: Thank you everyone!

02:38:08 Danica Cordell-Reeh: There is an interesting pub Med srptudy using ozone to help w
COVID. Old tech returning

02:38:08 Dian Brown: Great class !! Thanks!

02:38:09 adam child: Gosh :-)

02:38:14 Vito Mijal-Pasa: thanks all . enjoy your holiday Ray hope rain stops

02:38:17 huifang boo: Thank you!

02:38:17 adam child: great class
