

00:15:53 Rita Perea: Hi everyone! Glad to be here with you all today!

00:16:04 adam childs: Hi Rita :-)

00:17:32 Rita Perea: Hi Adam :)

00:21:14 Eleonore Charrez: 😊 if we have 3 months, that's fine 😊.

00:26:16 Danica Cordell-Reeh: Anyone else having audio go out and back and out....

00:26:39 Hui Fang Boo: No. Works fine for me

00:36:01 Matthieu Kaiser: I understood you preferrably use futures for S&P, am I wrong?

00:37:23 MJ W: so use SPY?

00:38:36 MJ W: thank you

00:45:51 Matthieu Kaiser: Scorpio is the fall sign of the Moon

00:46:32 Merriman Market Analyst: Very good!

00:50:34 MJ W: vol 4

00:55:02 adam childs: Can this be taken down to a smaller time frame as there could be a pattern that there is a reversal early or late as the moon passes through the sign

00:55:36 adam childs: Ok :-) look at price to

01:08:11 Matthieu Kaiser: have general rules been drawn from these data?

01:09:02 Matthieu Kaiser: thanks

01:56:43 Ibrahim Kone: What does the number in brakes refer too? The higher the number the greater the conviction of reversal?

01:59:18 MJ W: Does the arrow show up after that bar closes?

02:00:12 Matthieu Kaiser: how many people do work with you?

02:05:10 Rita Perea: Mark, which cryptocurrencies are included in your Blockchain newsletter?

02:07:39 Dian Brown: Great presentation! Thank you!

02:12:10 Matthieu Kaiser: impressive!

02:14:21 Rita Perea: Thank you, Mark.

02:16:17 adam childs: I guess you can drift between timeframes depending on what signals you get

02:17:12 Daniel Ineichen: was the study done on daily time frames. Would it work with same Consistency on lower time frames (i.e. two periods after the signal)?

02:17:57 Rita Perea: Mark, do you use any sentiment indicators?

02:18:44 MJ W: interestingly no down arrow, suggests less volume on recent down move?

02:19:43 MJ W: previous chart

02:20:59 Ibrahim Kone: Can you please clarify what information we get with matestock for the VR indicators?

02:23:32 Rita Perea: Mark, do you offer webinars?

02:24:33 Ibrahim Kone: comment: It might be because cryptos are being traded by less institutional investors (so less manipulations)

02:26:41 Pouyan Zolfagharnia: Based on your observations do you hold an opinion as to the location of Nibiru in the Zodiac? Which sign or degree it may be in?

02:26:59 Renato Ricks: If the signal is generated intraday, how does an outside bar reversal get treated?

02:29:23 MJ W: GBTC weekly I think

02:33:31 MJ W: thank you , was interested in why no arrow--appreciate your explanation

02:35:53 adam childs: could you use this etf for signals to trade bitcon as bitcoin trades 24hrs

02:35:55 Daniel Ineichen:Finally, Mark mentioned something about a discount for MMTA studnets. May he elaborate on this?

02:36:26 MJ W: <https://www.youtube.com/watch?v=nq9uACuYJ5I>

02:37:23 Vito Mijal-Pasa: Have we got Nasdaq and Dow chart ? On Daily

02:39:29 Rita Perea: Thanks for the link to Mark's video, MJ!

02:39:48 MJ W: vrtrader.com code 2021HALFOFF

02:41:09 MJ W: YW Rita!

02:46:07 Daniel Ineichen:what about the indicator?

02:47:20 Rita Perea: Fabulous presentation! Thank you Mark!

02:47:30 Daniel Ineichen:Thank you!

02:47:32 adam childs: thank you that was great

02:47:43 Pouyan Zolfagharnia: Thank you Mark

02:47:45 MJ W: awesome thanks everyone

02:47:46 Abhishek Singh: Thanks for your presentation.

02:47:46 shanna forlano: Really great, thank you !

02:47:55 Hui Fang Boo: Thank you

02:47:58 lian handaja: Thank you!

02:48:00 Ibrahim Kone: Thank you for the presentation Mark

02:48:02 Rita Perea: Thanks Ray and Gianni! Great class today!

02:48:04 Yating Hu: Thank you!

02:48:13 Michelle Picard:Great presentation. Thank you so much Mark. And thank you Ray and Gianni for another great class!

02:48:22 adam child: Oh right sounds good :-)
