

00:11:48 Michelle Picard: HI everyone!

00:12:15 Eleonore Charrez: Ohh... Gianni's beard had grown !!! 2022 start :)

00:13:51 Matthieu Kaiser: Hi all :-)

00:14:30 Ali Alvarado Atias: Greetings Everyone. Welcome to Year 2!

00:58:13 Danica Cordell-Reeh: What area of the world is the eclipse passing over

00:58:46 Pouyan Zolfagharnia: 27 Pisces where they go conjunct is also the degree of exaltation for Venus

00:59:31 Matthieu Kaiser: To see the paths of eclipses

00:59:45 Matthieu Kaiser: <https://www.timeanddate.com/eclipse/solar/2022-april-30>

01:20:34 Darri Murphy: gold is mined out of the earth Pluto Scorpio is wealth within... the earth

01:34:19 Wyatt Fellows: whos idea was it to have first class under merc retro!!

01:35:01 adam childs: Did anyone else lose connection to the class

01:35:36 Merriman Market Analyst: Well, we did consider that the first classes would be a lot of review :-))

01:36:14 adam childs: I lost my internet or connection some how I am back now though

01:37:03 Merriman Market Analyst: But we didn't really consider the possibility of forgetting to turn on the recording. And, of course, that is happening, but thanks to you, was corrected in time :-)) Thank you.

01:40:14 Yating Hu: What is the level 1W mean in the last slide? Is that Level 1.5 signature?

01:41:18 Yating Hu: Thanks!

01:41:18 Danica Cordell-Reeh: Does it show which it had

02:01:43 Matthieu Kaiser: no

02:01:58 Matthieu Kaiser: not in the EU nor in the euro area

02:05:49 Rob Carrigan: Gianni, if your 3yr low is in on T-Notes, the low last week is just above the 61.8% fib level (from the late 2018 low to the high in early 2020) so perhaps some more confirmation for you. Nice call.

02:12:01 Danica Cordell-Reeh: Look at what has happened in the RE market. Rents in NYC are going up on renewals 40%. Prices are also going up in most markets in the US. Tremendous demand for investment properties also nationally

02:13:07 Merriman Market Analyst: imagine how real estate would respond if rates fell for a few months!!

02:13:18 Merriman Market Analyst: (bonds rally)

02:16:46 Matthieu Kaiser: what is the orb you identified for the 4y cycle?

02:21:37 Abhishek Singh: Hi Ray / Gianni, Is it possible Bitcoin can make another new ATH (All Time High) above 69K

02:22:12 Merriman Market Analyst: It has a lot of work to do! Lot of overhead supply

02:23:12 Rob Carrigan: Thank you Ray, brilliant

02:23:15 Danica Cordell-Reeh: What do you mean by overhead supply?

02:23:26 Merriman Market Analyst: supply of sellers or resistance

02:31:29 Wyatt Fellows: micro bitcoin

02:31:32 Din Uppal: MSTR proxy for BTC

02:31:33 Wyatt Fellows: 50-1

02:31:55 Danica Cordell-Reeh: MSTR is what please

02:32:16 Din Uppal: Micro strategy holds btc

02:32:49 Lian Handaja: ouch

02:33:14 Rob Carrigan: He's selling the beach house!!

02:34:56 Matthieu Kaiser: back to basics

02:35:28 Wyatt Fellows: nice double bottom there

02:35:48 Danica Cordell-Reeh: What about platinum and palladium

02:36:38 Merriman Market Analyst: they all look bullish

02:43:51 Lian Handaja: what is the symbol to enter T notes trade?

02:44:06 Merriman Market Analyst: for futures, I use /zn on think or swim

02:44:12 Merriman Market Analyst: march is /znh22

02:44:20 Merriman Market Analyst: could buy tlh or tlt etfs too

02:44:26 Lian Handaja: thankyou.

02:48:54 Rob Carrigan: Great session to start year 2, thanks Gianni & Ray.

02:51:15 Abhishek Singh: Thanks

02:51:22 Ali Alvarado Atias: Thank You!

02:51:22 Dian Brown: Great class. Thank you!
