

00:40:09 Matthieu Kaiser: are the aspects mentioned earlier for lows? highs? both?

00:46:05 Matthieu Kaiser: doesn't sound good for an intervention in Ukraine... ;-)

00:46:43 Matthieu Kaiser: in 1975 Saigon fell...

00:54:32 Renato Ricks: Is this considered a rule or guideline in relation to percentage?

00:57:20 Danica Cordell-Reeh: In 1974/75/76 there existed the opposite of what is being seen between Russia(USSR) and China

00:59:09 Matthieu Kaiser: Saturn Pluto were in square

00:59:21 Matthieu Kaiser: while now they've just made a conjunction

00:59:28 Danica Cordell-Reeh: There is a rand report on how to support china against russia

00:59:31 Matthieu Kaiser: (cycle related to China)

01:12:58 Dian Brown: are we sure we are recording?

01:22:35 adam childs: So 2024 give or take a few months is the next low. Will Jupiter going into Taurus 2023 create bear market

01:23:59 Danica Cordell-Reeh: Forgot the reason for 3 lowest and 3 highest versus 2 or 4 ... or is it 10% of the total cycle's for each?

01:31:46 Pouyan Zolfagharnia: Uranus in Gemini = Artificial Intelligence

01:32:28 Jennifer Seiden:Geocosmic Documentary premiering on 2/22/22... (US Pluto Return)

01:32:54 Ibrahim Koné: I made a list for Uranus in Gemini could be 5G

01:33:06 Jennifer Seiden:Anyone seen this interview on "The Astrology Podcast" w/ Chris Brennan last week?

01:34:15 Pouyan Zolfagharnia: The application of AI is really starting to change the automobile and aerospace industries

01:34:35 Matthieu Kaiser: he's a very good astrologer - saw his podcast on 2022, very interesting and detailed

01:34:54 jeff hanus: yes

01:35:19 Jennifer Seiden:He interviews Kenny Ausubel

01:36:14 Jennifer Seiden:Yes, it's just interesting it's being released on that day....

01:37:47 Ibrahim Koné: By 5G I am mean more the application of it when infrastructure is in place this means more online services more compute in the cloud this drive heavy content over the internet (AR/VR, Metaverse, IOT also data processing therefore more AI as well)

01:37:49 Jennifer Seiden: The Human Behavior & Historical events and their correlation w/ Geocosmic Patterns is documented in Mr. Ausubel's documentary that was featured Last week on Chris' Podcast

01:38:48 adam childs: Is the dollar going into a period when the 15 year low is due

01:39:54 Ibrahim Koné: Does it mean that the low in Crypto could be around the end of 2025 the Uranus start leaving Taurus?

01:44:07 adam childs: Ibrahim What about april 2024 jupite Uranus conjunction

01:44:24 adam childs: in Taurus

01:45:57 Matthieu Kaiser: thnak you Jennifer for pointing this out

01:45:58 Ibrahim Koné: Good point Adam that could be the last blow off for a top and with global decline late 2025 early 2026

01:49:54 Jonathan Ryall: Could be a head and shoulders top?

01:50:09 Pouyan Zolfagharnia: we had our second 0.25% hike in interest rates announced by the Bank of England this week

01:50:56 Pouyan Zolfagharnia: Both occurring within the Venus Retrograde

01:53:30 Matthieu Kaiser: the ECB got caught off guard by surging inflation

01:53:54 Danica Cordell-Reeh: The are articles out of Fed and Bank of England versus the ECB

01:54:44 Matthieu Kaiser: as yield curves flatten, I'm not sure central banks won't flip-flop on this...

01:55:38 adam childs: Mathieu specially if demand fall off

01:56:47 Matthieu Kaiser: correct - central banks can't do much on supply-driven inflation, they only risk killing growth

02:03:40 adam childs: I always lose money on gold and Silver :-) :-)

02:04:03 Daniel Ineichen: so, after last week, we are still on the way to a 23 months low in the stock market

02:04:21 Matthieu Kaiser: how do you use the solar-lunar correlation with highs and lows?

02:05:07 Vincent Wang: Usdjpy looks like a candidate to short, isn't it ?

02:05:25 adam childs: Could we rally into March which is when the fed stops QE I think

02:05:47 Matthieu Kaiser: the S&P has not taken out the 45-MA yet

02:06:07 Merriman Market Analyst: Fed stopped QE already I believe

02:06:12 Merriman Market Analyst: rates hiking in March

02:06:48 adam childs: I see thank you so march is an important time zone

02:06:58 Merriman Market Analyst: yes

02:09:05 Abhishek Singh: Come Gold - From March 2021 Lows - are we in 3rd phase of 22 / 23 week cycle. Is it correct & Gold can push upside in 3rd phase - can this be correct?

02:09:15 Abhishek Singh: Comex

02:13:39 adam childs: Can we look at oil again it does not seem to want to correct but I think I would like to see a pullback soon

02:14:12 Matthieu Kaiser: i'm asking because the WV for Aquarius/Taurus is low, but there is a significant difference between lows >> highs with this combination, according to the numbers we saw last year

02:15:23 Matthieu Kaiser: this ties in with what you said

02:17:06 Din Uppal: Would it be better to play the Vix then the indexes at the moment given the the Volatility. Also Bitcoin has broken 40K - is this a top or can get go higher ?

02:18:30 Vincent Wang: Thanks

02:19:32 Vincent Wang: Friday non farm only manage 50 pips so...

02:21:52 Abhishek Singh: Its week

02:23:31 Abhishek Singh: From 3A of your cycle if we count 22/ 23 weeks

02:24:20 Rita Perea: Alt coins in the green on Trading View today too. ETH above \$3000 right now. HEX up to .21 cents. :)

02:25:06 Rita Perea: Thoughts about reactions to the US Labor Report?

02:26:05 Abhishek Singh: Thanks

02:28:23 Matthieu Kaiser: the thing on oil is a half-cycle is due soon, isn't it?

02:28:51 Matthieu Kaiser: also, with Mercury turning direct, couldn't we get a correction in oil?

02:33:12 adam childs: If the fed changes its plan wuld that change your opinion

02:34:38 Danica Cordell-Reeh: Talking about march. March 14th week non stop lunar sq and oppositions . T sq in fixed signs between moon mars Uranus and Venus with moon opposition to Saturn on Tuesday. Then the moon continues with oppositions to to mercury Jupiter Neptune and the sung Friday the full moon

02:35:32 Din Uppal: Thank you!

02:37:19 Rita Perea: Thank you :)

02:37:57 Matthieu Kaiser: the momentum in oil is huge, true

02:38:23 Matthieu Kaiser: thanks

02:39:13 Daniel Ineichen:but you don't want to chase a chart like oil. rather wait for pullbacks

02:39:46 Matthieu Kaiser: indeed

02:40:18 adam childs: When Neptune went direct

02:40:24 Vincent Wang: Thanks looking to get out USO in late Feb then

02:40:37 adam childs: yeah the low in oil

02:40:45 Matthieu Kaiser: 1 December

02:40:59 Matthieu Kaiser: impressive timing!

02:41:36 Vincent Wang: Thanks excellent call. Paid my course already ha

02:41:47 Abhishek Singh: Thanks

02:41:57 adam childs: Thank you :-)

02:42:15 Matthieu Kaiser: thank you, very good class

02:42:42 Rita Perea: Thank you.Great discussion. Great to see everyone today!
