

00:35:08 Eleonore Charrez: 35051

00:36:57 Yating Hu: 3802

00:47:49 Matthieu Kaiser: we have an incredible day on March 2 featuring 3 conjunctions, 2 of which are exact

00:50:32 Martha Geiger: Gianni- tell us about the utube presentations

00:51:26 Merriman Market Analyst: they're on our YouTube channel!

00:51:29 Merriman Market Analyst: once a week

00:51:33 Merriman Market Analyst: short video

00:51:50 Martha Geiger: just search mmta?

00:51:55 Merriman Market Analyst: mma cycles

00:55:18 Matthieu Kaiser: we have the same moves in Europe

01:04:09 Din Uppal: Ray mentioned he was investing in the stock markets. How does Ray invest in stock Markets, do you invest in Stocks or Indexes or both.

01:05:16 Din Uppal: Thank you

01:10:07 Martha Geiger: Gianni, where does .618 factor com from?

01:10:31 Martha Geiger: OK-

01:48:38 Renato Ricks: on the previous chart use points d,e,f

01:59:16 Ibrahim Koné: 2-5weeks

01:59:58 Ibrahim Koné: Can go to the second

02:00:07 Ibrahim Koné: MB

02:00:46 Ibrahim Koné: 1400.62-1537.57

02:03:51 Ibrahim Koné: But this will be a HPB coming

02:04:04 Ibrahim Koné: In Crude

02:07:24 Matthieu Kaiser: how confident are you for the Crude cycle? given that we could have expected more upside from the war...

02:08:23 Merriman Market Analyst: Could still make a new high, early enough in the primary cycle

02:08:40 Merriman Market Analyst: 13th week in the 16-22 week primary cycle, but if we go down 2-5 weeks from here it would still be bullish right translation

02:09:42 Ibrahim Koné: I would be interested to hear your thought on BTC and ETH holding their low during this week equity sell off and flight to safety?

02:14:13 Matthieu Kaiser: there are a lot of fundamental headwinds for EUR today

02:15:50 Renato Ricks: gold 1954-1977 very important price cluster resistance

02:15:50 Ali Alvarado Atias: Are you using the 33 week Cycle for the EUR?

02:16:15 Ali Alvarado Atias: Ok

02:16:17 Matthieu Kaiser: what do you mean Renato?

02:19:16 Dian Brown: How about silver?

02:19:24 Ibrahim Koné: Is that a bullish oscillation divergence ?”

02:20:35 Renato Ricks: Mattieu, if gold is bearish its most likely going to get rejected very soon, the price targets and wave structure suggest its this is a corrective move, not an impulse. I agree with Rays suggestion that the top maybe in

02:20:45 Merriman Market Analyst: no bc it didn't make a new low

02:20:58 Merriman Market Analyst: re: bullish divergence

02:21:07 Matthieu Kaiser: thank you Renato

02:21:57 Matthieu Kaiser: fundamentals-wise, we may see gold selling by some countries which have accumulated these last few years

02:23:43 Eleonore Charrez: Would silver or gold stocks top out before or after the gold or silver toping out ?

02:29:18 adam childs: Thank you :-)

02:29:34 Rita Perea: Thank you!!

02:29:35 Matthieu Kaiser: thank you for this enlightening Course on price targets!

02:29:35 Dian Brown: Thank you.

02:29:38 Lian Handaja: Thank you

02:29:46 shanna:thank you

02:30:03 Eleonore Charrez: but we still have a class next saturday ?

02:30:15 Matthieu Kaiser: when does course 6 start?

02:30:18 Yating Hu: Thank you

02:30:26 Matthieu Kaiser: thanks! :-)

02:30:27 Ali Alvarado Atias: Thank You Gianni, Ray. Excellent Material!

02:30:46 adam childs: O :-)
