CANNOT) DO WITH MMTA
MATERIAL**

Disclaimer and Appropriate Use of Course Information

The content and instruction made throughout this course are provided solely for reference and educational purposes to students, traders, and analysts (Participants).

By participating in this course, you agree that all trading or investment decisions made by Participant are at the sole risk to the Participant and Participant assumes all responsibility for any and all decisions made in financial markets.

By taking this course, you also acknowledge that trading in financial markets involves risk of loss as well as the potential for gains. As a student, trader, or investor, you agree to assume all responsibility for any and all actions you initiate in financial markets, and neither the authors, instructors, or publishers affiliated with this course, or anyone whose work is cited or referenced in the course, assumes any liability whatsoever for your decisions.

Futures or options trading are considered high risk. Information provided in the MMTA course or MMA publications is provided with sincere intent, and according to MMA's own proprietary and copyrighted processes and methodologies. All content and information provided is the intellectual property of MMA and MMTA developed by Raymond Merriman and his 40+ years of experience, observation, and research. Students may use this material responsibly and solely for their own trading and investment planning. They may cite brief sections of these studies with proper credit to MMA or MMTA. However, any other reproduction or use of this copyrighted material must be with the written consent of MMA.
